A very well-presented and deceptively spacious modern family home, situated in a popular residential cul-de-sac on the outskirts of town. Aptly named Ocean View Drive, the road enjoys breathtaking panoramic views across the town and out to Torbay. The property is located approximately 1½ miles from the town centre and harbour, with a frequent bus service passing the end of the road.

To the front of the property there is a level parking area and a large driveway providing ample off-road parking for several vehicles, along with side access leading to the rear garden.

The ground floor offers two generous double bedrooms, both excellent in size. One benefits from a large en-suite shower room and additional built-in storage.

On the first floor, a spacious lounge/dining room enjoys stunning panoramic views over the town and out to Torbay, creating a light and inviting living space. The modern kitchen/breakfast room is well-equipped, light and bright, and finished in sleek cream shaker-style units, making it a great central hub of the home.

Just beyond the kitchen is a superb spa room, complete with a large five-person hot tub. This is a versatile, sunny space which could also be used as a gym, hobby room or an additional seating area, with easy access out to the rear garden.

Also on this level is a further well-proportioned third double bedroom, along with a smartly presented family bathroom featuring a large bath, separate shower cubicle and built-in storage. In addition, there is a very handy laundry/utility room, keeping all white goods neatly out of sight.

The rear garden is a particularly long, terraced garden accessed via a winding pathway, offering a variety of useful and unique spaces. A patio area just above the block-paved area outside the spa room provides an ideal spot for entertaining. Beyond this, there is a productive growing area with planted borders continuing along the path.

As the garden extends, it widens behind neighbouring boundaries and leads up to the adjacent fields. It is here that the true scale and uniqueness of the garden becomes apparent. From the midpoint onwards, the garden is double-width and opens out to the surrounding countryside, featuring a large lawned area and summer house. From this elevated position, there are truly breathtaking views across Brixham, the Devon hills and out to Torbay, with sea views.

This is a wonderful space for family barbecues, entertaining, or simply enjoying seasonal air shows and fireworks — a garden and setting that is very hard to beat.
