£525,000

Occupying a peaceful cul-de-sac position within the highly sought-after village of Escrick, this spacious detached family home enjoys stunning open views across surrounding fields to the rear, offering a rare combination of generous accommodation, excellent future potential and a superb village setting, all available with no onward chain.

Extending to over 1,500 sq ft, this property has been thoughtfully maintained and updated over the years, providing versatile accommodation ideally suited to modern family living. A welcoming entrance hall with cloakroom/WC leads through to a particularly generous sitting room measuring over 21 feet in length, centred around an open fireplace and enjoying excellent natural light.

French doors connect the sitting room to a separate dining room overlooking the rear garden and open countryside beyond, creating an ideal arrangement for both everyday living and entertaining. Beyond this is a versatile garden room, which is currently being used as a fourth bedroom, forming part of the side extension. Equally suited as a home office, hobby room or additional reception space, the garden room flows seamlessly with direct access onto the rear garden.

The kitchen has been comprehensively refitted with a range of contemporary units and integrated appliances including Bosch oven and microwave, ceramic hob, dishwasher and fridge/freezer, complemented by useful pantry storage and pleasant rear views. A rear lobby provides secondary garden

access alongside integral access into the substantial attached double garage.

To the first floor are three well-proportioned bedrooms, including two spacious doubles, all served by a modernised bathroom with walk-in shower and separate WC. Additional practical features include built-in storage, a boarded loft with ladder access and oil-fired central heating.

Externally, the property occupies an enviable position at the head of the cul-de-sac with mature gardens, a high degree of privacy and uninterrupted rear aspects across adjoining fields. The attached garage and driveway provide ample parking and storage.

Further enhancing the property's appeal, planning permission has previously been granted for a substantial two-storey side and rear extension under application reference 2022/1347/HPA. Importantly, works were partially commenced, including sections of foundation construction, meaning the permission has been preserved and will not expire, offering exceptional scope for future enlargement if desired. A top-of-the-range external oil boiler, a Grant Vortex, was recently installed to the property.

Escrick remains one of the region's most desirable villages, located approximately six miles south of York and offering excellent access to the A19, York city centre and the wider regional road network. The village itself benefits from a highly regarded primary school, village green, public house, church and popular countryside walks, while also being home to the well-regarded Escrick Park Estate and nearby golf course. The home itself does sit within Fulford Secondary School catchment, with a current Ofsted rating of 'outstanding', which is sure to appeal to those with families.

This is an increasingly rare opportunity to acquire a spacious detached home with countryside views and outstanding future potential in one of York's most desirable village locations.
