The living/dining room is a generous space with excellent natural light from large windows overlooking the rear garden. A feature wood-burning stove fitted in the living room, with ample space for sofas and chairs, offers a focal point for personalisation. This space is a blank canvas, waiting to be brought to life.

Outside, the sizeable mature garden invites outdoor enjoyment, while a detached garage enhances parking options or storage needs. A replacement veranda would be a superb feature, allowing the new owners a great outdoor retreat and entertainment space. The rear of the property, accessible via the living room, further enhancing the property's potential.
