DESCRIPTION

A rare and special opportunity to purchase a truly distinctive semi-detached period home of great grandeur on a substantial plot along the ever-desirable Pendarves Road. From the moment you arrive, the property exudes a sense of history, individuality and quiet elegance, its striking architecture and rare circular design element immediately hinting at something quite extraordinary.

Stepping inside, the impressive entrance hall creates a moment of pause. The bespoke return staircase rises gracefully beneath stained decorative glass, while original tessellated tiles, ornate architraves and delicate ceiling roses come together to form a breathtaking welcome. It is a space that feels both grand and intimate, beautifully preserved and quietly timeless.

The lounge is equally captivating. Its sweeping curved walls give the room a soft, embracing quality, complemented by a recessed feature fireplace and exquisite original detailing. It is easy to imagine this space glowing with warmth on a winter's evening or flooded with soft daylight during quieter moments of the day.

The ground floor offers an array of versatile rooms that enhance the home's charm and liveability, including a breakfast/day room full of morning light, a tranquil conservatory overlooking the gardens, a well-proportioned kitchen, a shower room and a comfortable guest bedroom, ideal for visitors or occupants with mobility difficulties.

Ascending the grand staircase, the generous gallery landing unfolds like the centrepiece of the home. Bathed in natural light from vertical picture windows and adorned with further ornate features, it feels both dramatic and serene. The main bedroom mirrors the lounge's beautiful curved design, creating a truly special retreat complete with its own feature fireplace. A further spacious double bedroom and a family bathroom complete the first floor.

ACCOMMODATION

Vestibule, reception hall, oval living room, dining room, conservatory/ sun room, kitchen, rear vestibule, shower room/ w.c, ground floor double bedroom. To the first floor via the dramatic staircase, part galleried landing, double bedroom, master bedroom and the family bathroom.

OUTSIDE

Set well back from the road, the property is approached through an impressive granite-pillared entrance, creating an immediate sense of arrival. The pillars open onto a sweeping driveway that gently unfolds toward the house, providing generous parking for multiple vehicles and culminating at a detached garage. Extending to approximately 0.46 acres, the grounds feel unexpectedly large, with a small front copse and mature, densely planted boundaries giving the entire plot a wonderful feeling of seclusion.

To the side of the house lies the principal garden, an expansive, lawn that captures natural light from dawn until dusk. This broad stretch of green feels both open and private, framed by established planting and offering an ideal space for outdoor living or family activities.

The driveway continues toward the rear, where a charming gravel footpath meanders beyond the garage into a more intimate, beautifully mature garden. Here, a rich tapestry of trees, shrubs, palms, and seasonal planting creates depth, colour, and interest throughout the year. Nestled within this leafy setting are a greenhouse and a good-sized workshop/potting shed, perfect for gardening enthusiasts or those seeking additional hobby space.
