Positioned just moments from the Esplanade on Plymouth Hoe, this substantial mid terraced property is currently arranged as two self contained flats and offered for sale on a single title. Requiring modernisation, the property presents an exceptional opportunity for investors, Airbnb operators, multi generational families or purchasers seeking to create a magnificent family home in a prime coastal setting.

The main accommodation is accessed via the ground floor entrance and offers generously proportioned living spaces throughout. Two reception rooms provide flexible living and entertaining areas, complemented by a shower room and a fitted kitchen with an abundance of cabinet storage. To the rear, a useful utility sun room opens onto a decked terrace, creating an ideal space for outdoor enjoyment. On the first floor, the impressive principal bedroom spans the full width of the property and retains a charming feature fireplace. Two further double bedrooms are complemented with a shower room.

The lower ground floor flat benefits from its own private entrance and offers excellent independent living accommodation. A generous lounge leads through to a spacious central hallway, with a double bedroom and bathroom beyond. The accommodation continues through to a kitchen and utility area, while to the rear there is access to a paved courtyard garden and a useful storage shed featuring a characterful Crittall door.

The property's versatility is one of its most compelling features. Whether retained as two income generating flats, transformed into a highly desirable Airbnb venture thanks to its outstanding location, utilised for multi generational living or restored to a substantial single family residence, the possibilities are considerable.

Offered to the market with no onward chain, opportunities of this nature and in this location are seldom available. A viewing is highly recommended to fully appreciate the scale, flexibility and potential on offer.
