Period charm meets modern comfort in this impressive and versatile home, offering excellent investment potential just moments from the many delights that draw people to Weymouth – from its elegant Georgian seafront and sandy beach to the picturesque harbour and vibrant waterside life beyond.

Beautifully presented and thoughtfully arranged, the property offers six en-suite bedrooms, making it ideal as a substantial family residence or a highly lucrative holiday rental currently generating a strong income. One of the bedrooms is conveniently located on the ground floor, perfectly complementing the generous living accommodation. The main living space features a large dining area with a box bay window, which flows seamlessly into a modern, well-equipped kitchen complete with ample storage and a large peninsula that subtly defines the two areas. A door leads through to a small utility space and a practical laundry room, while a separate lounge or snug provides an additional reception area ideal for relaxation or television.

The remaining five en-suite bedrooms are arranged across the upper two floors, each tastefully finished and designed for comfort. The home is presented to an excellent standard throughout, perfectly suited for the holiday market, with the option to include furnishings if desired.

Currently operating as a successful and well-reviewed holiday let, the property offers a rare opportunity to acquire a ready-made investment with strong returns. Offered for sale with no onward chain.
