Deceptively spacious, five bedroomed, CALA Home. This "Darroch" house type, is an executive detached residence set within a highly desirable location on the outskirts of Lenzie,. The former show home enjoys an enviable plot as it is not directly overlooked from the rear, which ensures a good degree of privacy and exceptional views towards the Campsie Fells

The impressive façade belies the generous and thoughtfully planned internal layout. This has been cleverly designed for the rigours of a modern lifestyle, combining a practical and adaptable family layout on a level, professionally landscaped plot. The excellent five bedroomed layout can easily be adapted to suit a wide variety of family needs and personal appraisal is absolutely essential for a full appreciation of the overall size, standard of finish and the location within this sought-after development.

The excellent family accommodation comprises: Entrance porch, cloakroom with wc, spacious reception hallway, elegant formal lounge, superb living dining kitchen with double doors to the rear garden and an extensive range of quality integrated appliances with utility room off, allowing access to the integral garage.

On the first floor there is a delightful gallery landing serving five bedrooms, two of which have ensembles and a spacious family bathroom with four piece suite including separate shower cubicle. This outstanding home is further enhanced by gas central heating, PVC double glazed window frames, driveway and parking to integral garage and a level plot with gardens to front and to rear. The rear garden is fenced, fully enclosed, enjoying a good degree of privacy to relax and/or entertain.

Located in the Woodilee Village area on the outskirts of Lenzie, Ninian Crescent is in a delightful residential area, yet with a feel of the countryside and is with easy reach of local amenities. The train station is approximately one mile away which is ideal for those who commute and Glasgow City Centre is only some ten miles away by road via the easily accessible M80.
