### **Northaw Village - Strong Community Spirit**

Northaw is a charming and well-established village offering a wonderful balance of countryside surroundings and convenient access to nearby towns. At the heart of the village are two popular pub/restaurants, a historic church, village hall, scout hut and a well-regarded primary school, while a monthly Farmers' Market brings residents together and the local riding school adds to its rural appeal. For everyday amenities and excellent transport connections into London, both Cuffley Village and Potters Bar are within easy reach, each offering mainline train services and a wide range of shops and facilities. The village enjoys a vibrant calendar of events hosted at nearby Farmland Fields, including outdoor cinema evenings, camel racing, The Dog Run and the annual Steam Fair, creating a strong sense of community throughout the year. Northaw's Community Orchard further enhances village life with a picnic area and yurt for children's parties, alongside seasonal summer fairs, Apple Day and traditional Wassail celebrations, as well as bat watching evenings and volunteering days. The orchard is home to fruit trees, a honey bee hive and a family forestry school, offering engaging outdoor experiences for all ages. Altogether, Northaw offers a unique blend of rural charm, community spirit and excellent connectivity, making it an ideal setting for families and those seeking a peaceful yet well-connected lifestyle.
