Brighton, BN1 5LL

Offers in excess of £750,000

A beautifully presented three-bedroom detached bungalow with two bathrooms, landscaped gardens, a summer house, and off-street parking, set in one of Brighton's most desirable residential locations.

The property offers just over 1,100 sq ft of well-arranged accommodation. The entrance hall leads into a bright and modern kitchen fitted with integrated appliances and plenty of worktop space. To the rear, the spacious living and dining areas open directly onto the garden through large sliding doors, creating a seamless flow for entertaining and family living.

There are three good-sized bedrooms, a stylish family bathroom, and a further shower room. Useful storage is found throughout, and the main living spaces are finished in neutral tones with a modern fireplace in the lounge, giving a contemporary yet homely feel.

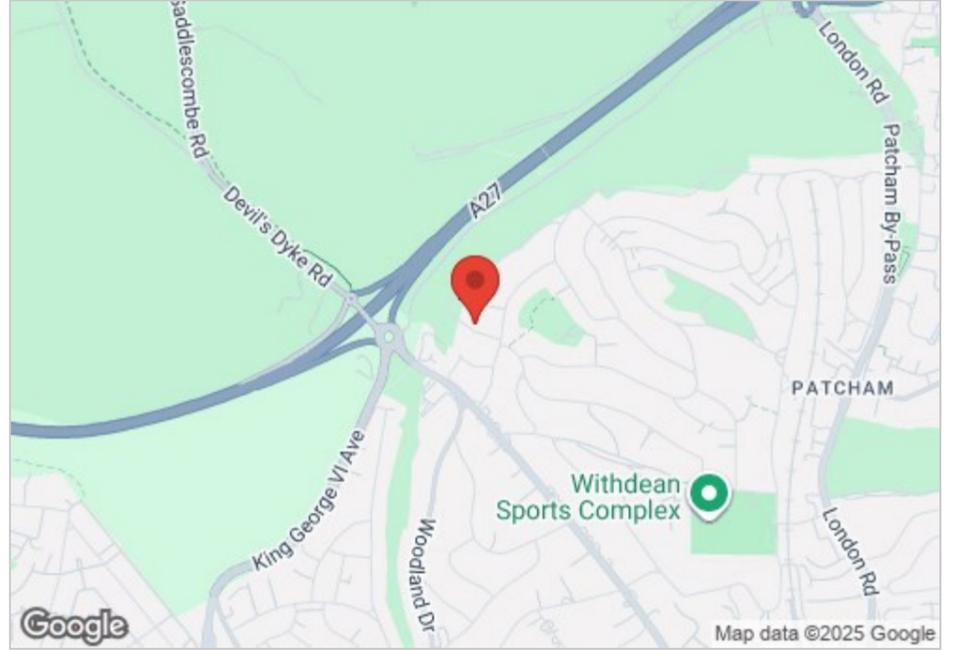

Outside, the rear garden is a real highlight, landscaped with artificial lawn, paved terraces, and mature borders, with a summer house at the far end, perfect for use as a home office or studio. The front of the property has a private driveway.

The property also offers excellent scope for the future, with potential to extend into the loft (subject to the usual consents) to create further accommodation if desired. For modern convenience, an electric vehicle charging point has already been installed on the driveway, making this home both forward-thinking and practical.
