 SIMPLE LIFE

ABOUT US

Simple Life customers are offered the remarkable opportunity to rent a brand new quality home from a professional and reliable landlord. We take pride in our homes and the communities we create, so we ensure that your home is kept in excellent working order and to high standards throughout the duration of your tenancy.

When it comes to quality affordable rental properties, we recognise that many private landlords may struggle to offer the level of service that you deserve as a tenant, and we want to change that!

From cleverly integrated appliances to cosy carpets, we've thought of every little detail in your Simple Life home. And because our

neighbourhoods are designed to add character and complement their surroundings perfectly, we build properties in both render and brick to create a harmonious mix – so your home will be as individual as you are.

Being part of the Simple Life family means you'll soon be living in the heart of a friendly and like-minded community, with everything you need right on your doorstep. So you'll find handy transport links nearby, and great schools, shops and amenities just minutes away.

With over 1000 properties now built across the UK, Simple Life will make you feel right at home, wherever that may be.

TESTIMONIALS

“As soon as I found the home I knew it was perfect for us. The move was very smooth, and the Simple Life team was helpful during the whole process. They made it so easy.”

“Compared to a private landlord, Simple Life is far better. We feel much happier and confident that someone is there to help should we ever need it. With previous landlords, we'd been fobbed off a lot and things were never fixed, but Simple Life really want to help. There's also no fear that the house will be sold. We have a 12-month lease which gives us peace of mind. “
