South Haven Close

Offering spacious and well planned accommodation, this property briefly comprises: three bedrooms, lounge/dining room, separate kitchen, conservatory, bathroom and toilet.

Further benefits include a BRAND NEW boiler, south westerly facing rear garden, potential to create off-road parking (stpp) and UPVC double glazing.

The position of this home is the real standout feature! It backs onto Lytchett Bay and offers uninterrupted views over the water - some have decided to lower the level of their rear fences so this can be enjoyed from ground level too.

In order to avoid disappointment, internal viewing is encouraged at your earlier convenience! To arrange, or for more information, please call our Upton Branch.
