- Detached Bungalow in a Rural Setting
- Inviting Lounge With Dual-aspect Log-burning Stove
- Mature Wrap-around Garden Backing Onto Open Countryside
- Driveway With Ample Parking and Two Garages
- Two Generous Double Bedrooms and a Stylish Modern Bathroom
- Recently Refurbished Throughout and Re-roofed

Set in a good sized plot, Bron y De is a detached refurbished bungalow with ample parking and 2 detached garages located in the friendly village of Dwyran on the South coast of the island. A short drive from Newborough with residents access to Landwyn beach, the location is only a 10 minute drive to Britannia bridge for commuting.

The accommodation comprises: Entrance hall with storage, lounge centred around a dual-aspect log-burning stove and semi open-plan fitted dining kitchen with solid wood modern units, integrated appliances and granite work tops. There are two generous double bedrooms and a modern bathroom with both bath and separate shower. A versatile study/office looks out over the rear garden and open fields beyond and, with a WC and plumbing in place, could easily serve as a utility room or additional practical space.

Along with parking for at least 3 cars plus two detached garages and additional space for a boat or similar, the well-established gardens wrap around the house, with a stone wall to the rear overlooking open countryside.

Refurbished in 2023, the property was re-wired, had a new roof, and LPG gas heating with combi-boiler was installed along with re-fitted kitchen and bathroom.
