Occupying an outstanding elevated position in a tranquil country lane within an Area of Outstanding Natural Beauty, this exceptional modern two-bedroom detached bungalow enjoys breathtaking views across the South Downs and surrounding open countryside. Built just four years ago, the property is beautifully presented throughout and benefits from stylish oak doors, under floor heating and the remaining term of an Advantage 10-year building warranty. Designed with contemporary living in mind, the heart of the home is the impressive open-plan kitchen, dining and sitting area. Expansive bifold doors frame the spectacular rural views while seamlessly connecting the interior with the attractive, generously sized wraparound gardens and outdoor entertaining space. In addition, planning permission has been granted for a single-storey extension from the kitchen and to place a summerhouse in the garden. Both bedrooms are generously proportioned and beautifully appointed. The main bedroom benefits from fitted wardrobes, a stylish en suite bathroom and direct access to the rear patio, where the stunning far-reaching countryside views can be enjoyed. The spacious second bedroom is complemented by a well-appointed family shower room. Further enhancing the property's versatility are a separate office, ideal for home working, and a practical utility room and WC, again with underfloor heating. Outside, the generous driveway provides ample off-road parking and is equipped with an EV charging point, adding convenience and future-ready appeal. Properties combining such an exceptional standard of presentation with a truly enviable rural setting are rarely available. Early viewing is highly recommended to fully appreciate everything the property has to offer.
