### THE OPPORTUNITY

HOUSE FOR BASIC UPDATING

The property has been a much loved home for many years and now has huge potential for basic updating to suit both owner occupiers and investors looking for a project in this sought after location just moments from Whiteladies Road where smaller Freehold houses are so rare.  
Interested parties may also consider rearranging the existing layout to create a larger open plan living space.

EXTEND TO REAR | ATTIC CONVERSION

There is scope to improve the rear extension to allow better access to the rear garden and potentially convert the attic space to create further accommodation.

OFF STREET PARKING

There is potential to create off street parking in the front garden.

REDUCED PRICE FOR AUCTION

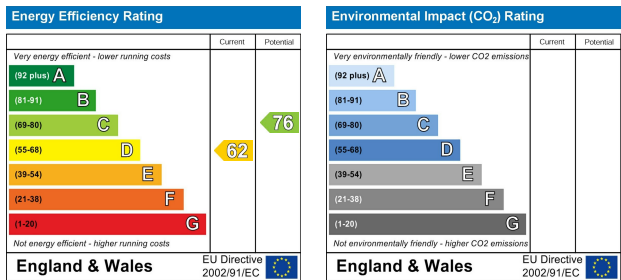

The property was previously listed with local agents with an original asking price of £800,000 and more recently £725,000 now with a reduced guide price for sale by auction.
