£350,000

Part of a small private close, consisting of 22 properties this well maintained mid terraced house is very deceptive in size. To the ground floor you have a kitchen to the front looking onto the communal green. Whilst the living/dining room stretches across the rear of the property with glass door onto the garden and hatch through to the kitchen. Upstairs you have the 3 double bedrooms and a family bathroom. The property has been well maintained but some modernisation will be needed.

The rear garden faces west, is private and has established tree/hedge boundaries. There is also a crazy paved patio, a small lawn area and a gate leading onto one of the four communal green spaces. To the front you have hardstanding for one vehicle, garage access (which has power) and a decorative garden with various plants.

Fitzgerald Park is a private close ideally situated within the popular south east area of Seaford. Close to Seaford Head Golf Course, delightful downland/headland walks, promenade and beach. Seaford town centre with all its amenities and railway station are also within a reasonable level walk.
