The property has been modernised throughout and offers bright, spacious accommodation that's perfect for family living. There are four well-proportioned bedrooms, along with a separate playroom and a dedicated home office, giving plenty of flexibility for growing families or those working from home. The generous living space is complemented by stylish finishes throughout, creating a home that's ready to move straight into.

A very rare opportunity presents, as this large detached four bedroom house is in a perfect location in Hockley within short walking distance to the highly regarded Westerings school (the school is set in its own woodland) and the home is just moments from all the shops in the village and less than 10 minutes walk from the train station which offers a fast service directly to London. The rear garden is unoverlooked from behind and internally, by moving a small fourth bedroom wall over you can create a four double bedroom property (as the front and rear double bedrooms are unusual large for this priced property). In addition by removing just one wall and rearranging the kitchen cabinets, you can create an impressive open planned kitchen-dining/family space; as large luxury bi-folding doors are already installed. Externally, the property benefits from off-street parking, a garage and a beautifully kept rear garden, providing an ideal space to relax or entertain.
