

Inside The Home

Occupying a sought-after position on a peaceful rural leisure park, this unique, handcrafted solid timber lodge offers character, warmth and quality rarely found. Having been lovingly owned by the current vendors for the past 13 years, they proudly state that this is the only solid wooden lodge of its kind on the park. Fully insulated throughout, it also benefits from lower utility costs than many of the neighbouring lodges.

Entry is through a brand new composite front door into the bright and welcoming open-plan living space. The lounge, dining area and kitchen seamlessly flow together, creating a spacious and sociable environment, enhanced by attractive pine wood flooring and a recently installed feature fire. Double patio doors fill the room with natural light and open directly onto the south-facing wraparound decking, providing the perfect space for relaxing or entertaining whilst enjoying the surrounding countryside. The kitchen is well-appointed with a range of fitted units and benefits from an integrated fridge, oven and hob. Leading through the inner hallway, there is a useful built-in storage cupboard providing ample space for household essentials. The family bathroom is fitted with a modern three-piece suite. The accommodation continues with three bedrooms, comprising two generous double bedrooms and a single bedroom. The master bedroom benefits from fitted wardrobes and a private en-suite shower room, while the additional bedrooms offer versatile space for guests, family or a home office.

Further benefits include double glazed windows, full insulation throughout, south-facing wraparound decking and the charm and durability of a beautifully handcrafted solid timber construction, making this truly a one-of-a-kind opportunity within this highly desirable leisure park.
