An increasingly rare opportunity to acquire a charming detached bungalow, occupying a generous plot within a sought-after non-estate setting on the edge of Cheadle. Enjoying a delightful semi-rural position, the property offers an appealing balance of countryside surroundings and convenient access to local amenities.

The bungalow itself retains a wealth of traditional character and offers well-proportioned single-storey accommodation, comprising an entrance porch, welcoming reception hallway, an impressive lounge with bay window, a kitchen/dining area with pantry off, rear entrance hall, two comfortable sized bedrooms, and a bathroom.

While the property would benefit from a programme of modernisation, it presents exceptional potential for enhancement, allowing purchasers to create a bespoke home tailored to their own tastes and lifestyle.

Externally, the property truly excels, set within substantial gardens and approached via a gated driveway providing extensive off-road parking and access to a detached garage. The enclosed rear gardens are designed with ease of maintenance in mind, offering a private and versatile outdoor space ideal for both relaxation and entertaining.

Combining character, space, and outstanding potential in a desirable location, this is a superb opportunity for a wide range of buyers seeking a home with scope and setting.
