THE PROPERTY

There is a remarkable combination of features at Penwithen, 28 Trevellan Road, that makes it very special indeed. Its location is exceptional, set within the heart of one of the most sought-after villages around, where one is less than 100 yards from the quay and creek and a minute or two walk from the pub, butcher's shop, fish seller and primary school. The house is detached and was built in the early 1980s, providing well-proportioned accommodation and a glorious setting, where its South facing garden is enclosed and private and backs onto a stream. There are four bedrooms, the main with en suite shower room and a dressing room/nursery beyond. Living space is generous with a 21' sitting room, looking out into the garden, a separate dining room and a garden room. The kitchen has some rather nice freestanding antique pine furniture, including a twelve drawer chest, a dresser and shelving, plus there is a utility room. Penwithen is in need of some modernisation and uplifting in part, but perfectly comfortable and liveable 'as is'. The house has been lived in and loved by a horticulturalist who has treasured her garden, introducing some gems and creating a wonderful space full of interest and colour, leading onto Mylor stream at the rear, where there is a summerhouse and hardstanding for a dinghy or kayak perhaps. To the front is a short driveway to park, leading to a single size garage.

THE LOCATION

Penwith, 28 Trevellan Road is delightfully situated tucked off Lemon Hill, on the lane that leads to Mylor Quay, just 100 yards beyond. An exciting element here is Mylor stream that runs to the rear of Penwith and on a high tide becomes the upper reaches of Mylor creek. Mylor has an active, friendly community and excellent facilities that include the Lemon Arms Pub, a well-stocked village store, a highly regarded primary school, pre-school and playgroups. There are Doctor and Dentist surgeries, a Post Office and Newsagent, Hairdressers, award winning Butcher's shop plus a Fishmonger. The Village Hall has an extensive programme that includes exhibitions, a history group, keep-fit classes and monthly cinema showings. There are also several local clubs, tennis courts, a bowling green, playing fields, plus a regular bus service running to Falmouth and Truro. Small wonder that the Sunday Times has named Mylor Bridge as 'One of the Best Places to Live' and that it is one of the most desirable villages around. The village is located approximately 4 miles from the harbour town of Falmouth and 8 miles from the Cathedral City of Truro both of which have good schools, excellent shops, business and recreational facilities. Mylor Creek is a tributary of the River Fal, leading into the Carrick Roads with access to some of the best day sailing waters in the country. There are a number of yacht clubs nearby including those at Restronguet, Mylor, Flushing and several in Falmouth. Mylor Harbour, just a short distance away, has remarkable facilities including a Marina with pontoon and swinging moorings, chandlers, marine services plus restaurants and a general store/café.

OUTSIDE

FRONT

Tarmac driveway to tuck in one large or two smaller cars, leading to the garage. Picket fence, gate and pathway to the front door. Sheltered, established front garden with cherry tree, pittosporum and various shrubs, roses, gravelled pathway around to the side entrance and rear garden. Carriage lamps. Slate name plate.

REAR

The most glorious south facing, enclosed and established garden which backs onto Mylor stream, which is tidal to Mylor Creek. The garden is a special and interesting place. Enclosed and almost level, with good areas of paved terrace, out from the sitting and gardens rooms and beside the pond with its marginal plants and glorious borders containing all sorts of plants, shrubs and an acer tree. Several climbers adorn the rear of the house including roses and clematis. The paved terrace flows onto the lawn and beyond through a rose arch and wending path with lovely granite edged, richly stocked borders, straight ahead to the summerhouse, branching right to the produce garden and left to the stream/creekside. A fine acer tree, many azalea and rhododendron. The garden has been treasured by a horticulturalist who has loved living here and introduced knowledge and her artistic flair.

TIMBER GARDEN SHELTER with paved floor and shiplap timber roof.

PRODUCE GARDEN

Enclosed, sheltered and south facing with raised produce beds, and path around. Pear tree and eucalyptus.

AGENTS NOTE

The stream beyond the garden is tidal and on a high spring tide, water has been known to nudge into the lower garden area. This has happened only a very few times in the last 16 years, only with a Spring tide, wind and atmospheric pressure aligning. The playing field opposite is the flood plain. Radiators are electric and individually plugged in. There are two thermostats; one for the radiators downstairs and one for the radiators upstairs.
