SETTING THE SCENE

Approached via a small front garden, the main entrance door is located to the front. The frontage offers an area to park a car off road. To the right of the main door is a set of double doors leading into the shared rear parking courtyard where there is provision for off road parking for one vehicle.

THE GRAND TOUR

Entering via the main entrance door into the hallway there is initially a porch area leading into the hallway with stairs to the first floor landing and exposed timber beams. The first room to the left is the sitting room with brick built fireplace housing a woodburner. The middle room is a separate dining room with another brick built fireplace and exposed beams. The kitchen leads from the dining room, and is split into two sections with a utility area initially offering a range of units and rolled edge worktops with space for white goods. The second section is more the kitchen end with further cupboard storage and rolled edge worktops and space for freestanding oven and fridge/freezer as well as double doors opening onto the rear garden. Heading up to the first floor landing there are further character features with exposed timber beams as well as cupboard storage housing the gas fired boiler. To the front there are two double bedrooms, to the rear, a family bathroom with four piece suite with separate shower and bath as well as the main bedroom.
