Avon Close, Worcester Park

HUNTERS APARTMENT DEPARTMENT — Because not all apartments are created equal.

Tucked away within a quiet cul-de-sac, this spacious two-double-bedroom ground-floor maisonette proves that apartment living doesn't have to mean compromising on space — particularly when you have a garden this size.

Step inside and the generous proportions immediately stand out. The bright reception room offers plenty of space to properly relax and dine without furniture Tetris, while the separate modern kitchen provides excellent storage and preparation space. Both bedrooms are genuine doubles — not a double in the estate-agent sense where you have to climb over the bed to get out!

The accommodation is completed by a well-presented family bathroom, but the real headline act is waiting outside. The huge private rear garden is a genuine rarity for a maisonette and gives this home another dimension entirely. Summer barbecues, entertaining friends, space for the children, a home office or simply somewhere to sit with a glass of something cold — there's room to make it your own.

Location scores highly too. Worcester Park Station is around 0.2 miles away, providing regular services towards London Waterloo, while Central Road's shops, cafés, restaurants and everyday amenities are within easy reach. The area is also well served by local schools including Cheam Common Infants, Cheam Common Junior Academy, Malden Parochial and Green Lane Primary & Nursery.

Two big bedrooms. Big reception. Even bigger garden.

This is ground-floor maisonette living with considerably more space than you might expect — and one we think deserves to be seen rather than simply scrolled past.
