This coupled with improved transport links via the A30 and Newquay Airport has really made it one of the top tourist destinations in Cornwall. This, as well as the flexible modern nature of working, has also led to an increased number of families moving to the area to enjoy the natural beauty of the coastline on the doorstep.

With parking at the front of the property and accessed down a side path, 3B Stones throw is currently let on an AST but previously used as a holiday let. Fully booked throughout the peak times making £2000/£3000 a month from June to September it is very popular with couples looking to explore the coast. It has an open plan lounge, kitchen, diner on the ground floor with a large double bedroom on the first floor with a shower room.
