

LONG SUTTON

This property really must be viewed in order to visualise the potential. Contact us to arrange a convenient appointment!

Externally, at the front boundary of the bungalow, the well-maintained hedging has an opening providing access for vehicles. The driveway runs along the side of the property down to the detached garage. There is off-road parking for multiple vehicles, with it being possible to park 3 vehicles or perhaps a caravan/motorhome behind gates, providing additional security. The front garden is laid to decorative stone, with established shrubs and bushes. Pedestrian gates provide access to the rear garden. The rear garden has a pretty, private feel, with a patch of lawn bordered by established shrubs, bushes and trees. An area of patio is covered by a metal-framed structure with a poly-carbonate roof, providing the perfect place to enjoy the garden whilst sheltering from the afternoon sun. Security lighting makes it possible to enjoy the garden after dusk. The garden benefits from an outside WC, store and shed, and so is perfect for someone who prefers to spend their days tinkering outside.

Internally, off the entrance hall is a spacious and light-filled double-aspect living room, a kitchen with a walk-in pantry and a conservatory off (which could be used for dining). The supersized master bedroom offers ample space in which to unwind at the end of the day, whilst the second large double bedroom will be a welcome retreat for visiting guests. The property is served by an updated shower room with a walk-in shower enclosure.

Whilst requiring some modernisation, this 2-bedroom detached bungalow boasts generously proportioned accommodation throughout and could be the perfect opportunity for you to really make somewhere your own. It is conveniently situated just 0.5 miles from the amenities of Long Sutton, and only a 5-minute walk from a well-stocked convenience store.
