From time to time, a small number of the professionals we recommend — though certainly not the majority — may provide us with a referral fee of up to £200. In the spirit of transparency across the galaxy, we want you to be aware of this. However, the choice is entirely yours, and you are under no obligation to use any third party we recommend.

Should your mission be successful and your offer on one of our properties be accepted, and you choose to proceed with the purchase, there will be a small administration charge of £36 (inclusive of VAT) per person. This non-refundable fee allows us to carry out the required Anti-Money Laundering Identity checks, ensuring everything remains compliant with regulations and the process stays on the right side of the law.
