- Modern family bathroom, finished to a high specification with quality fixtures and fittings
- Additional benefits include lift access, secure video intercom entry system, allocated parking, visitor parking, communal bike storage with fob access, and attractive green communal spaces within the development

GUIDE PRICE £280,000 - £300,000

A beautifully presented two bedroom second floor apartment, set within the highly sought-after Renovo development on Colliford Road in Grays — a home that delivers style, convenience and just the right amount of “I could live here” energy.

Constructed in 2020 by the award-winning 5-star builder Bellway Homes, this contemporary apartment comes with approximately 119 years remaining on the lease, along with over three years' remaining NHBC warranty — so you can focus on enjoying the space rather than worrying about it.

Step inside and you're welcomed by an inviting entrance hallway, complete with a secure video intercom system and handy storage. The real highlight is the impressive open-plan lounge/kitchen/diner — a bright, sociable space designed for modern living. With integrated appliances, a sleek breakfast bar and room to relax or entertain, it's the kind of layout that just works. The private balcony adds that extra touch, perfect for a quiet morning coffee or something a little more celebratory at the end of the day.

There are two well-proportioned bedrooms, including a generous principal bedroom with its own en-suite shower room, plus a stylish family bathroom — ideal whether you're hosting guests or just enjoying a bit of extra space.

The development itself is equally well thought out, offering lift access, well-maintained communal areas, a secure bike shed with fob access, allocated parking, visitor spaces and attractive green areas to break up the day-to-day.

Location-wise, it's hard to beat. You're just moments from Lakeside Shopping Centre and the surrounding retail parks, meaning shopping, dining and last-minute plans are always within easy reach. Chafford Hundred railway station is also close by for direct links into London, while the M25 keeps you well connected by road.

Stylish, low-maintenance and perfectly positioned — this is modern apartment living done properly.
