Agents Notes

Agents Note: The sale of this property is subject to receipt of Grant of Probate. Please obtain an update from the branch with regards to the potential timeframes involved.

Title WM715202 contains beneficial rights or easements

Here is a summary but a property lawyer can advise further:- The property has the benefit of specific rights granted in a 1998 legal document, such as the right to use certain service pipes or access routes.

There are legal provisions protecting the property's access to light and air, ensuring that future developments nearby cannot unfairly block your windows or ventilation.

The electricity company has a 'right of way' to enter the land to repair and maintain their power lines, though they must fix any damage they cause to the ground.

- The owner must not build any structures or plant trees near the electricity lines without first getting written approval from the electricity company.

- The owner is prohibited from raising or lowering the ground levels in a way that would affect the electricity company's equipment.

- There are 'restrictive covenants'-which are binding promises not to do certain things on the land-contained in a 1998 document
