STUDENT LET – A rare find. Quite possibly one of the best 8-bedroom student houses in Bristol.

Set just off the ever-popular Gloucester Road, this impressive home has been designed with student living in mind. Fully furnished and offering eight genuinely good-sized double bedrooms, it also boasts a generous communal sitting room, a spacious kitchen-diner, separate utility room and three bathrooms – so no morning queues. Bright, sociable and practical, this is the sort of house groups search for and rarely find: plenty of space to live, study and relax, all in a brilliant location for shops, cafés, transport and the city's universities. Properties of this calibre and size are few and far between. Early viewing is essential
