

Derby Road,
Long Eaton, Nottingham
NG10 4LS

£500,000 Freehold

THIS IS A SUBSTANTIAL, VICTORIAN DETACHED PROPERTY WHICH HAS RECENTLY OBTAINED PLANNING PERMISSION TO CONVERT INTO A NINE BEDROOM/PERSON HMO, WITH THE PROPERTY HAVING BEEN ORIGINALLY BUILT AS A VICARAGE AND MORE RECENTLY USED BY THE CURRENT OWNER AS OFFICES.

Robert Ellis are pleased to be instructed to market this large detached Victorian property which is situated close to the heart of Long Eaton. The property has recently obtained planning permission to change the accommodation into a nine HMO bedroom property, with the rooms being arranged on three levels. The property has the accommodation currently on two levels with there being three double rooms and two rooms that will become a shared living area/ kitchen to the ground floor and four similar size rooms to the first floor, with the proposed conversion to incorporate the attic space to provide two further en-suite bedrooms. The property is currently being sold with the benefit of NO UPWARD CHAIN and for the size and layout of the accommodation available, we recommend that interested parties do take a full inspection so they are able to see all that is included in the property for themselves. The property is only a few minutes drive away from Long Eaton town centre where there are many amenities and facilities and it is also close to excellent transport links, all of which have helped to make this a very popular and convenient location to live, for people who would want to rent a room in the converted property or for someone who wants to purchase the property and keep it as an individual home.

The property has an attractive appearance and is constructed of brick to the external elevations under a pitched tiled roof. The accommodation derives the benefits from having gas central heating and is entered at the side through an enclosed porch which leads into the spacious reception hall, from which pine doors lead to two large double rooms at the front, there is an enclosed staircase taking you to the first floor, a ground floor w.c. off the hall, an inner hall which provides access to a further double room and a dining kitchen and there is a rear hall which leads into a large room at the rear of the building, which in the proposed scheme becomes part of the open plan shared living accommodation. To the first floor the landing leads to four large rooms, a store room and kitchenette and separate w.c. and the attic would be accessed from a new staircase being installed taking you to the second floor accommodation area. Outside there is parking at the front and side and at the rear there is a private slatted patio area.

The property is only a few minutes drive away from Long Eaton town centre where there is an Asda, Tesco, Lidl and Aldi stores as well as many other retail outlets, if required there are schools for all ages within easy reach which might make the property attractive to people who are working at The Elms and Trent College and the Wilsthorpe Academy, there are sports facilities including the West Park Leisure Centre and adjoining playing fields which are within a few minutes walk of the property, open countryside is only a short drive away and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provides good access to Nottingham, Derby and other East Midlands towns and cities.

Porch

Fully enclosed porch having the original doors with leaded inset glazed panels and a matching arched glazed panel above, tiled flooring, light and a wooden door with an inset leaded glazed panel leading into:

Reception Hall

A spacious hall with Kamdean style flooring which extends throughout the whole of the ground floor living accommodation, a feature cast iron radiator, cornice to the wall and ceiling and a central light rose, dado rail to the walls, pine panelled doors leading to the rooms off the main hall, there is a door with two inset glazed panels to the stairs and a pine panelled door leading to the inner hallway which has an arched glazed window above.

Cloaks/w.c.
