A beautifully presented three bedroom house offering approximately 1,460 sq ft of well balanced accommodation, positioned on Riffel Road, a popular residential address just a short walk from Willesden Green Underground Station and Gladstone Park.

The house has been thoughtfully refurbished by the current owner and provides bright, well proportioned living space arranged across multiple floors. A generous double reception room creates an elegant setting for both everyday living and entertaining, while to the rear the kitchen opens directly onto the garden. A separate utility room enhances the practicality of the layout and helps to keep the principal living spaces uncluttered.

The upper floors provide three bedrooms and two bathrooms, offering practical accommodation well suited to modern family life.

A particular feature of the property is the west facing garden, which enjoys afternoon and evening sunshine and provides an attractive outdoor space for dining, entertaining and relaxation.
