Inside Story

This superb detached family residence is situated in a highly sought-after location and was originally built as the show home. Since then, the property has been impeccably maintained and thoughtfully improved by the current owners, both internally and externally, with quality fittings and attention to detail throughout. A truly impressive home that must be viewed to be appreciated.

Upon entering, you are welcomed into a spacious hallway featuring elegant Herringbone Amtico flooring, a staircase rising to the first floor and a useful storage cupboard beneath. The study is positioned to the front aspect, providing the perfect space for home working, alongside a convenient ground floor WC.

The living room is a beautifully presented reception space, featuring a bay window and stylish fireplace, creating a warm and inviting atmosphere. To the rear of the property, the impressive kitchen/dining area stretches across the width of the home and is fitted with quality solid wood units, a central island and granite work surfaces. There is ample space for family dining and entertaining, with the added benefit of a practical utility room.

The garden room provides a wonderful additional living space, offering a relaxing retreat with views over the garden and flexibility to suit a variety of uses.

To the first floor, the property offers four generous double bedrooms, with three benefiting from built-in storage. Two bedrooms feature brand new en-suite shower rooms, complemented by a modern family bathroom.

Externally, the property continues to impress with a driveway providing ample off-road parking and an EV charging point. There is also a detached double garage with electric roller door and a convenient courtesy side door.

The landscaped garden has been designed for low maintenance and enjoyment, featuring a fantastic patio area ideal for outdoor dining and entertaining. A professionally installed putting green provides a unique feature, perfect for adults and children.
