Highcliffe Close

These builds of home are incredibly popular and the layout begins with an inviting entrance hall which adjoins a ground floor WC, and leads through to the large lounge/diner. At maximum dimension, the lounge/diner measures 27'1 x 15'10, and is easily distinguishable between dining and living areas. There is also a large window to the front and glass sliding doors to the rear, maximising the intake of natural light through the day. The kitchen is also a good size, measuring 10'1 x 7'5 and boasts ample cupboard and worktop space, as well as two large adjoining cupboards.

Upstairs continues to impress with two double bedrooms and a large single bedroom. Bedroom 1 measures 13'11 x 9'1 and benefits from a large built in wardrobe. Bedroom 2 measures 10'1 x 9'1 and similarly benefits from a built in wardrobe. Bedroom 3 measures 10'10 x 6'5 at maximum dimension and a large cupboard can also be found which stretches over the stairs. The bathroom is a three-piece suite, comprised of shower over bath, toilet and sink.

The rear garden is WEST FACING and low maintenance, comprised of patio and turf areas. The garage is enormous, more than double the length of a standard garage, totalling 32'11 x 8'7! The garage has been split into 3 sections, two currently used for storage and a handy utility section at the rear. Finally, the home is complete with a large driveway to the front for multiple vehicles.

These family homes are known for their size, and this home is also positioned perfectly! We highly recommend a viewing of the property to see all of the benefits first hand, so call us today to organise an appointment!
