24 Fairfield Way, Keynsham, Bristol, BS31 1GD

This superb modern detached house was constructed by Crest Nicholson in 2020 and is the largest house style within the Hygge Park development. It boasts quality fittings throughout in an attractive contemporary style with neutral decor and offers accommodation which is extremely energy efficient with an 'A' rated EPC with energy saving lighting and PV solar panels.

The property, in our opinion, is a particularly attractive design ideal for modern living. The ground floor is approached from an entrance porch to a large open plan kitchen dining and family room which is very much the hub of the home. The kitchen area is fitted with an excellent range of attractive wall and floor units with built-in appliances. Accessed from the kitchen is a utility room and downstairs cloakroom with WC. At the front of the property, is a good sized study or snug which could be equally used as an additional bedroom if required. At the rear, lies a well proportioned sitting room with bi-folding doors opening onto a landscaped rear garden. On the first floor, there are four well proportioned bedrooms. The main bedroom suite has a bathroom with four piece suite including a large walk-in shower together with a walk-in wardrobe. The second bedroom has an en-suite shower room with the two remaining bedrooms served by a good sized family bathroom.

On the outside, the house is approached over a block paved driveway which provides ample parking leading to a double garage. It is set within a pleasant plot with open plan shrubbery style gardens to the front and a walled rear garden which has been landscaped with pavings, shrub beds, ornamental pond and an attractive timber garden building.

Hygge Park is situated on the eastern side of Keynsham within easy walking distance of the Wellsway School complex and Waitrose food store. Two Rivers Primary School is close by as is the Flourish Farm Shop at Glenavon Farm.

There is easy access to the Bath Road with bus stops in both directions for regular buses to Bristol and Bath, while the town of Keynsham, just over a mile away offers a range of day-to-day amenities including a large landscaped park and a railway station.
