CHESTERTONS

This highly sought-after Edwardian family home comes to the market for the first time in over fifty years and boasts magnificent period features, a south-west facing garden and a cul-de-sac location, boarding Barnes Common.

The ground floor currently offers a splendid double reception room with natural light, large sash windows, hardwood floors, ornate moulding and ceiling roses. Also on this floor, is a kitchen overlooking the garden, a dining room and access to a cellar.

Upstairs, the first floor provides three generous double bedrooms, one single bedroom and a main family bathroom. On the second floor, there is a large bedroom, currently used as an office, along with an en-suite bathroom and eaves storage space.
