ESTATE AGENTS

Moving Estate Agents are delighted to welcome Ryesside Road to the market.

A three-bedroom, semi-detached villa in walk-in condition.

Property Description

This very attractive three-bedroom, semi-detached villa with an extensive drive to the front and beautifully mature, well-maintained rear garden grounds is in the heart of the Barlormock area of Glasgow. Of undoubted appeal to a wide range of buyers, the villa is presented in excellent condition.

The property is entered via a private drive to the front through the main porch into the downstairs hallway with stairs leading to first-floor accommodation and all apartments off. The downstairs accommodation comprises a very attractive and spacious picture-windowed lounge with open aspect giving lots of natural light and a feature main wall. The kitchen sits just off the hall to the rear and has a range of floor and wall units with contrasting worktops. The kitchen, in turn, gives door access to the private rear garden with new raised decking giving open views to the rear of the property. Finishing downstairs is the family bathroom with a three-piece suite with a shower over bath finished with tasteful tiled wall splash back.

Upstairs, from a generous landing with an under-stair storage area, there are three good-sized bedrooms. Two to the rear of the property and the master to the front. The rear bedroom also provides built-in mirrored storage and an en-suite.

The front mono block paved drive is substantial, with the driveway able to accommodate two cars and giving off-street parking. The rear garden is also spacious and lawned to the lower level, with a raised decking area giving that overall effect of a very private, enclosed outside area.

The property further benefits from double-glazing, Gas Central Heating and a drive giving off-road parking.

Ryesside Road is conveniently placed for a large range of amenities, including Springburn Park, popular with Joggers and dog walkers, Robroystone Retail Park with a host of shops, Springburn Train Station, schooling at both Primary and secondary levels, and local shopping facilities.

The M80 and M8 networks are also nearby, leading to surrounding locations such as Loch Lomond and Glasgow International Airport.
