Our Vendor Loves...

"We instantly fell in love with the proportions of this home. The layout for us felt more like a house than a typical two bedroom flat. We couldn't be happier with the location either, nestled between the overground and national rail, we've been spoilt for choice when it comes to getting to and from work (you can reach Victoria in 19 short minutes!) There's everything at a moments reach, beautiful parks, lovely cafes and bakeries, and supermarkets down the road. The only reason we're leaving is we're outgrowing our home at a rapid rate but we'll be sad to say farewell."
