# ALASTAIRS PLACE, FENISCOWLES

£385,000

We are very excited to bring to market this beautiful detached dormer bungalow. Located on the award winning Greenhills development, this offers low maintenance practicality, with a touch of luxury.

The property comprises; welcoming entrance hall, front lounge, ground floor bathroom, ground floor bedroom and an open plan kitchen/lounge area. The kitchen comes with upgraded extras & a centre island. From the kitchen area there is direct access into a fabulous landscaped garden. The garden offers wow factor for those who like hosting but is extremely practical and low maintenance. From the hallway there is a twisted stair leading to the impressive master bedroom and shower room. The master benefits from a stylish walk in wardrobes along with extra fitted units & a practical storage cupboard on the landing.

The Greenhills development has a wonderful reputation since its opening and continues to attract buyers from all over Lancashire. Surrounded by picturesque green space the estate has a different feel compared to most newer developments making this extremely popular with both local buyers and those relocating to the area.

Although the property has a feel of privacy and seclusion your day to day amenities are within very short proximity. There are a range of stores and shops including a Tesco's & Sainsbury's along with sandwich shops and food outlets within walking distance.

**OUR THOUGHTS** - *'First class throughout'*
