UNEXPECTEDLY BACK ON THE MARKET!

A standout semi-detached home that defies expectations, boasting a huge corner plot and a stunning ground-floor wrap-around extension. This beautifully presented property offers a rare blend of contemporary living and exceptional outdoor space. The significant addition to the ground floor has transformed the living accommodation into a bright, versatile family home that flows seamlessly from the inviting hallway into the heart of the house.

Upon entering, you are greeted by an inviting hallway that leads into a modern, recently updated kitchen designed with sleek finishes and integrated functionality. There are integrated appliances for ease and convenience, including a fridge/freezer, oven, microwave, and washing machine. The home flows seamlessly into the lounge and diner, but the true "wow" factor lies in the wrap-around extension. This addition creates a magnificent family room flooded with natural light, perfect for both relaxed evenings and hosting friends. A convenient, contemporary shower room and WC on the ground floor adds a level of practicality often missing in traditional semi-detached layouts.

The first floor continues the theme of modern comfort. The master bedroom is a tranquil space featuring quality fitted wardrobes, providing ample storage without compromising the room's clean lines. The second bedroom offers great versatility, while the family bathroom has been tastefully updated with modern tiling and fixtures.

The extensive gardens wrap around the home, featuring a large, lush lawn ideal for children to play. For those who love to entertain, the sun-trap patio seating and BBQ area provides the perfect setting for summer afternoons. The garden is framed by beautifully tiered flower bed borders, which not only add a splash of color but also create a wonderful sense of privacy and seclusion. The property further benefits from a detached single garage and ample off-road parking.
