£685,000

Nestled in the highly sought-after area of Daws Heath and set against the backdrop of beautiful woodlands, this meticulously maintained, five-year-old detached executive home offers a perfect blend of luxury and comfort. From the moment you step into the elegant tiled entrance hall, you're greeted by a showstopping walnut and glass staircase that leads to the first floor, setting the tone for the high-end features throughout. The ground floor includes a convenient cloakroom and a bright lounge featuring a bay window and bifold doors that open seamlessly to the rear garden & study/office. The expansive, dual-aspect kitchen and dining area is a true chef's delight, equipped with top-of-the-line integrated appliances and its own adjoining utility room, providing both style and functionality. Bifold doors from the kitchen open directly to the rear, creating an indoor-outdoor flow that's perfect for entertaining.

Upstairs, you'll find four generously sized bedrooms, including a master suite with a private ensuite shower room. An additional four-piece family bathroom caters to the rest of the household, combining both convenience and sophistication.

Outside, the west-facing, unoverlooked garden is designed with low maintenance in mind, offering a serene retreat for relaxation. The detached, double-length garage has been partially converted into a stunning garden bar room, with ample storage retained at the front. A block-paved driveway provides parking for at least two vehicles. Additional features include underfloor heating on the ground floor, radiator heating upstairs, UPVC double glazing, and the balance of the building warranty. This property is ready to welcome you home—schedule your viewing today to experience the quality and lifestyle on offer.

Energy rating and score

This property's energy rating is B. It has the potential to be B.

[See how to improve this property's energy efficiency](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60

The graph illustrates the energy rating scale from A (best) to G (worst) and the corresponding energy scores. The current rating is B, and the potential rating is also B. The scores for each rating are as follows:

Energy Rating	Score Range
A	92-100
B	81-91
C	69-80
D	55-68
E	39-54
F	29-38
G	1-28
