A detached two bedroom modern bungalow situated within the ever popular and well-served village of Collingham, offering well-balanced single-storey accommodation, off-road parking for two cars and an enclosed rear garden.

The property is entered via an entrance hallway providing access to all principal rooms. The lounge is a well-proportioned and comfortable reception space, ideal for everyday living, whilst the separate dining room converted from the former garage, offers flexibility for formal dining or could alternatively serve as a second sitting room or study, patio doors connect to the conservatory extension.

The modern fitted kitchen comprises a range of wall and base units, designed with practicality in mind. To the rear, a UPVC double glazed conservatory extension provides an additional reception area overlooking and connecting via patio doors to the garden.

There are two double bedrooms, both of good size, together with a family bathroom fitted with a modern white suite. The property benefits from gas central heating and uPVC double glazing.

Externally, a driveway provides off-road parking for two vehicles. The enclosed rear garden has space for seating and planting, offering a pleasant and private outdoor area.

Collingham is one of the district's most sought-after villages, offering an excellent range of amenities including a Co-op supermarket, medical centre, pharmacy, dentist, post office, public houses and cafes, together with highly regarded primary schooling. The village also benefits from its own railway station providing services to Newark, Lincoln and Nottingham, with fast onward connections to London King's Cross from Newark North Gate in approximately 75 minutes. The A46 and A1 are also easily accessible, making the location particularly attractive for commuters.

This property represents an excellent opportunity to acquire a well-maintained bungalow in a thriving and convenient village location.

This detached bungalow is constructed of brick elevations under a tiled roof covering. The former garage has been converted into a dining room and there is a uPVC double glazed conservatory extension built on a brick base. The central heating system is gas fired with a Worcester Green Star boiler. The windows are replacement uPVC double glazed units. The living accommodation can be described in more detail as follows:
