Chelwood Avenue, Moortown

Positioned on a quiet residential street between the ever-popular areas of Moortown, Roundhay, and Shadwell, this chain-free, fully renovated four-bedroom semi-detached home offers an exceptional opportunity for buyers seeking a stylish, low-maintenance home in a prime North Leeds location.

Rather than relying on future potential, this property has already had all the hard work done. The current owners completed a comprehensive renovation, including new electrics, central heating, windows throughout, and a full loft conversion, creating a home that is ready to move straight into — ideal for buyers who want certainty, speed, and minimal disruption.

Arranged over three well-designed floors, the house makes intelligent use of space, offering generous bedroom proportions and a practical, modern layout suited to today's lifestyle.

To the front, a bright and welcoming formal living room with bay window provides a cosy retreat, perfect for evenings in or hosting guests. To the rear, the home opens into a modern open-plan kitchen, dining, and family space — thoughtfully designed for everyday living, entertaining, and family life. While not oversized, this area is efficiently laid out, flooded with natural light, and finished to a high standard, making it functional, social, and easy to live in without the need

for further structural work.

Bi-folding doors lead out to the private rear garden, which is intentionally manageable and low-maintenance — ideal for busy professionals or families who want outdoor space without the upkeep of a large garden.

The first floor hosts two generous double bedrooms and a further versatile room, perfect as a nursery, study, or guest bedroom, alongside a stylish family bathroom. The top floor is dedicated entirely to the principal bedroom suite, created via a full loft conversion and offering excellent space, built-in storage, and a sleek en suite — a true retreat away from the main living areas.

A standout feature of this home is the fully converted garage, now a brand-new, insulated outbuilding with a new roof and electrics, offering exceptional flexibility as a home office, gym, studio, or hobby space — a huge advantage for hybrid working or growing families.

Externally, the property benefits from off-street parking and sits in a location that consistently proves to be the biggest draw — close to outstanding schools, green spaces, transport links, and local amenities, while remaining tucked away on a peaceful street.
