THE PROPERTY

A beautifully presented four-bedroom family home, tucked away in a popular cul-de-sac and enjoying lovely views over surrounding woodland. This is a home designed with family life in mind, offering generous and flexible living space throughout, including extended ground-floor accommodation. The welcoming entrance hallway is light and spacious, with plenty of room for coats, shoes and everyday family essentials. To the rear, the main sitting room is a comfortable and relaxing space, with patio doors opening directly onto the garden – perfect for keeping an eye on children playing outside or enjoying summer evenings together. The dining room also overlooks the garden and is an ideal space for family meals, homework sessions or entertaining friends, whilst also benefiting from built in storage. The kitchen is a real heart-of-the-home space, fitted with white shaker-style units and warm wooden worktops. With an oven and hob already in place and room for all the necessary appliances, it's well suited to busy family life and budding chefs alike. A second sitting room at the front of the property is currently used as a playroom, offering a fantastic space for children, though it could just as easily be adapted as a home office, snug or teenage retreat. The integrated garage provides useful storage and offers potential for future development, subject to planning. A handy downstairs WC completes the ground floor. Upstairs, the home continues to impress with four comfortable double bedrooms, providing plenty of space for a growing family or visiting guests. The family bathroom is well equipped with a bath, corner shower, WC and washbasin – ideal for busy mornings and relaxed bedtime routines.

OUTSIDE

There is off-road parking for two cars, along with a lawned front garden and established planting. The rear garden is mainly laid to lawn with a generous patio area, perfect for summer BBQs, outdoor play and family gatherings. Backing onto woodland, the garden offers a peaceful, private setting where children can explore and adults can unwind.
