About the Property

Offered with no onward chain, this substantial four bedroom detached family home offers plenty of scope to put your own stamp on it and create a fantastic family home. Occupying a generous corner plot, there is also excellent potential to extend, subject to the necessary planning permissions, with the opportunity to significantly increase the existing accommodation.

Upon entering the property, you are welcomed by an entrance porch with a WC and handy storage cupboard. This leads through to the impressive 21'4 lounge, which spans the full width of the property. To the rear is a 15'3 kitchen with useful downstairs storage, alongside a separate 12'6 dining room.

Upstairs, there are four bedrooms, two benefiting from built-in wardrobes, together with a shower room off the landing.

Outside, the generous corner plot is a real feature of the home, providing plenty of garden space as well as exciting potential for anyone looking to extend or reconfigure the property, subject to planning.

The property also benefits from gas central heating and double glazing throughout.

The Outside

To the front, the property is set back behind a large lawned garden, with a concrete driveway providing off-road parking and leading to the single garage with carport in front.

A side gate leads through to the rear garden, which is a real blank canvas and one of the standout features of the property. The generous L-shaped plot is bordered by mature hedging, fencing and a brick wall, offering a fantastic amount of outside space and plenty of potential to create a garden to suit you.

A pathway runs directly outside the kitchen and continues around the side of the property to the gated access and personnel door into the garage.

The Location

Greenways is a popular residential development within Eaton, one of Norwich's most sought-after suburbs, combining a well-established community feel with excellent everyday amenities. Eaton itself offers a good selection of independent shops, cafés and pubs, together with Waitrose, local schooling and regular bus services into Norwich city centre.

The area is particularly well placed for access to the University of East Anglia, Norfolk & Norwich University Hospital and Eaton Golf Club, while nearby green spaces and countryside provide plenty of opportunities for walking and outdoor activities.

For commuters, Eaton offers convenient access to the A11, A47 and Norwich city centre, making Greenways a great location for families and professionals wanting good connections while remaining outside the heart of the city.
