A BEAUTIFULLY ARRANGED FULHAM FAMILY HOME

Behind its charming front façade, the house opens into a spacious double reception room, enhanced by elegant coving and a charming bay window that floods the space with natural light.

The layout provides excellent versatility for both living and dining arrangements while retaining a sense of period character. To the rear, a spacious eat in kitchen spans the width of the property, superbly appointed for modern family living and entertaining. With direct access to the garden, this space naturally becomes the heart of the home—ideal for everyday dining as well as hosting.

A HOME WITH ROOM TO GROW

The first floor offers two well proportioned double bedrooms and a large family bathroom, while the top floor comprises two further bedrooms, an additional bathroom, and useful eaves storage.

Beneath the ground floor sits a lower ground level measuring 386 sq ft, currently arranged with two storage rooms. While the ceiling height is restricted, it offers valuable utility or storage potential and may present future development options (STPP).

In addition to the lower ground level, the property may also lend itself to a front mansard extension, subject to the necessary planning permissions—providing an opportunity for buyers seeking future expansion potential.
