

East View Road,
Sutton Coldfield, B72 1JA

Offers in Excess of £650,000

An exceptional detached dormer bungalow occupying a wonderfully private corner plot, with gated parking, immaculate interiors and breathtaking wrap-around gardens. Tucked behind a gated driveway in one of B72's most established and desirable settings, this outstanding three-bedroom detached home delivers the kind of space, finish and lifestyle flexibility that is becoming increasingly difficult to find.

From its discreet approach and substantial driveway to its beautifully curated interiors and extraordinary gardens, this is a home that feels genuinely special from the moment you arrive.

The reception hallway immediately sets the tone: sleek, generous and beautifully finished, with dark tiled flooring, contemporary lighting and a sweeping oak staircase with floating treads and glass balustrading rising to the first floor. It is a striking, architectural introduction to the home and gives a real sense of the quality carried throughout. To the front sits a generous bay-fronted lounge, a refined yet comfortable retreat with excellent natural light and plenty of space for family living or relaxed entertaining. The principal bedroom is also positioned to the front, benefitting from a bay window and offering a calm, elegant bedroom suite. Completing the ground-floor accommodation is a separate study, ideal for home working, alongside an excellent utility room and access to the garage. The family bathroom is indulgent in every sense. Finished in a sleek contemporary palette, it features a four-piece white suite comprising twin vanity sinks, a freestanding feature bath, a large walk-in shower, WC and stylish fitted storage. It is a superbly designed space that feels more boutique hotel than family home. At the heart of the property is the spectacular open-plan lifestyle room, extending to in excess of 29 feet. This beautifully designed living space combines a high-quality fitted kitchen, generous dining area and relaxed family seating zone, all wrapped in natural light. The kitchen itself is sleek and contemporary, with a stylish mix of light and dark cabinetry, integrated appliances and extensive preparation space. Wide sliding doors open directly onto the terrace and frame panoramic views across the lush wrap-around gardens beyond. The garden almost paints itself onto the walls of this fabulous space, creating a seamless relationship between the home and its extraordinary outdoor setting. Whether hosting long summer lunches, enjoying family evenings or simply taking in the peaceful green outlook, this room is designed for living well.

Upstairs, two further double bedrooms are served by a modern shower room, creating excellent flexibility for family, guests, teenagers or those seeking separate private accommodation.

Outside, the gardens are exceptional. Mature, private and beautifully established, they wrap around the property to create an extraordinary sense of space and seclusion. Expansive lawns are framed by towering established trees, colourful planting, shaped shrubs and deep natural boundaries, while the substantial patio creates a superb setting for outdoor dining and entertaining. There is also a charming, detached garden building, currently arranged as a bespoke bar and entertaining space, giving the garden an added layer of personality and lifestyle appeal.

The property also offers excellent future potential for extension or further reconfiguration, subject to the necessary planning permissions.

East View Road occupies a sought-after B72 setting, prized for its mature surroundings, established homes and superb balance of peace and convenience. Sutton Coldfield town centre, everyday amenities, transport connections and green open spaces are all within easy reach, while the setting itself feels tucked away, private and almost semi-rural.

A remarkable home offering elegant living, exceptional outside space and a lifestyle that is very difficult to replicate.
