IF YOU LIVED HERE...

Stepping inside, the hallway provides useful built-in storage before leading through the apartment. The reception room is a particularly generous space, filled with natural light from a wide window overlooking the tree-lined street. Original parquet flooring runs underfoot, adding warmth and character, while the adjoining kitchen is smartly presented with contemporary cabinetry, contrasting worktops and plenty of natural light, making it a comfortable space for cooking day to day.

Both bedrooms are arranged off the hallway, with the larger room offering excellent proportions and the second providing a versatile space for guests, working from home or a growing family. The bathroom is positioned off the hallway beside one of the bedrooms, finished in a clean, contemporary style with a bath and overhead shower. Throughout the apartment there's a calm, well cared for feel, with neutral décor, excellent natural light and generous built-in storage making it easy to move straight in. Outside, the well maintained communal gardens provide attractive

green surroundings, while the garage en bloc offers valuable additional storage or secure parking. The current owners have also replaced the boiler and windows, adding useful updates behind the scenes.

A WORD FROM THE EXPERT...

"If you are new to Woodford Green, a quick walk or drive around the area shows what a fantastic place it is, but here is a bit of insider insight. I first got to know it through its great food, drink and nightlife. There is a mix of cosy pubs, independent cafés, smart cocktail spots and lively restaurants, so there is always somewhere new to try. Food lovers have plenty of choice, from classic fish and chips to Mediterranean dishes, hearty Sunday roasts and authentic Italian favourites. Whether you want a quick bite or a long lunch with friends, the dining scene has something for everyone. What truly sets Woodford Green apart is the green space. Epping Forest is only minutes away and offers one of the most impressive natural landscapes in the region. Closer to home, Ray Lodge Park is popular with families and dog walkers, with woodland, good paths and a welcoming atmosphere".
