The property needs a degree of updating but offers a purchaser the chance to create a wonderful home.

You step into a hallway with stairs to the first floor. The sitting room is front aspect with a feature box bay window and a fireplace housing a gas fire. The dining room is rear aspect and adjoins the kitchen which has a range of eye and base level units. Also on the ground floor is a utility room and an outside WC.

On the first floor are 3 bedrooms and a shower room. The main bedroom is front aspect again with a box bay window enjoying a fantastic view towards Dartmoor National Park in the distance. Bedroom 2 is a rear aspect double and currently used as a guest room. Finally bedroom 3 is a good size single bedroom or potential nursery. The bedrooms all share the shower room which has scope to be updated and modernised.

The property is approached up steps to a shared right of way which runs in front and down the side of the property. Immediately in front of the property is a garden which has a range of mature shrubs and plants. A path takes you to the front entrance door with storm porch over. To the rear of the property is a right of way for the adjoining neighbour to access their respective garden. Steps take you up to an area of lawn which is fully enclosed and at the top of the garden there are range of sheds requiring TLC.
