The kitchen is comprehensively fitted with solid wood worktops and an extensive range of wall and base units. Double doors lead through to the conservatory, which is glazed on three sides and enhanced by a glazed lantern roof, with French doors opening to the rear.

To the first floor is a spacious landing with a range of built-in storage, providing access to all rooms and the loft. There are three well-proportioned double bedrooms, all enjoying

attractive countryside views. The family bathroom is fitted with a modern white suite, comprising a bath with shower over, vanity unit with inset wash hand basin, heated towel rail, low-level WC, and a Velux roof light.

A separate studio/annexe is conveniently located just off the parking area.
