Doynton Street, N19

Located in the Dartmouth Park Conservation Area, a beautifully presented two bedroom garden maisonette, set within a handsome period terrace on a highly sought after road.

The lower ground floor is home to an impressive open plan reception room and kitchen, flooded with natural light and opening via bi-fold doors onto a charming, secluded garden, ideal for entertaining or al fresco dining.

Upstairs, two generously proportioned double bedrooms sit alongside a stylish, fully tiled family bathroom. Throughout, the property retains a warm, characterful feel, with exposed wood flooring, built-in shelving and tasteful decor complementing the classic Victorian brickwork of the building's exterior. Bay sash windows draw in plentiful light, while the pretty rear garden offers a genuine outdoor retreat.

Doynton Street is well-placed within easy reach of Highgate Village, Hampstead Heath and Waterlow Park, along with the various transport links of Archway and Tufnell Park, both on the Northern line.
