At Trafalgar Court there is a development manager whose role is to manage and maintain the building and deal with emergency situations whilst on duty. The development manager is not a carer or health assistant. There is a careline service which is available 24 hours a day, 7 days a week and this is intended for emergency purposes only.

Within the development there is a residents lounge and coffee bar, along with a library and a laundry room.

Outside there is a communal seating area and gated parking on a first come, first served basis.

Services, mains water and electric.

We understand from Openreach website that Full Fibre Broadband (FTTP) is available to the property. We tested the mobile phone signal for O2 which was good.
