The beauty of this home lies in the way it has been adapted for modern living. The ground floor flows effortlessly from the welcoming sitting room through into the superb kitchen and dining space, creating a layout that naturally brings family and friends together. Whether it's everyday breakfasts around the peninsula, children doing homework while dinner is prepared or hosting summer gatherings that spill out into the garden, this is a home designed to be lived in.

The sitting room is a generous, light-filled space with a large front-facing window and plenty of room for comfortable seating, whilst the real heart of the house is undoubtedly the kitchen. Fitted with an attractive range of shaker-style cabinetry, integrated appliances, solid timber worktops and a central breakfast bar, it offers excellent storage and workspace without compromising on style.

Beyond, the dining area enjoys a vaulted ceiling with rooflights and an impressive glazed gable that floods the room with natural light throughout the day. Sliding doors open directly onto the raised deck, making inside and outside feel beautifully connected and creating a wonderful setting for entertaining throughout the warmer months.

Upstairs, the accommodation is well balanced with two comfortable double bedrooms, a generous single bedroom that would equally make an excellent nursery or home office, and a contemporary family bathroom with overhead power shower.

The home is fully double glazed, has gas fired central heating and there is an Ultrafast fibre broadband connection - perfect for those who work from home.
